

OUR COMMITMENT TO YOU

We fully recognize that our team and guests are the true **heart and soul** of Meet Hospitality. We are prioritizing **health, wellness, and care** in our enhanced **Meet Safety Promise**:

Meet Hospitality continually monitors and evolves the Meet Safety Promise based on the CDC guidelines, state and local advisories.

Employees and Guests:

- We are happy to abide by individual company policies as it relates to health and safety guidelines if they differ from current CDC and local policies. Masks for staff and guests and social distancing options are available upon request.

Spaces:

- All Meet Hospitality spaces have flexible seating and socially distanced options available (but no longer required by current guidelines).
- Safety tools are available as desired if companies have a heightened policy including Plexiglass dividers, additional directional signage, PPE, and more.

Cleaning:

- We will continue to clean and sanitize the entire space following every meeting.
- As always, staff wears gloves and follow all food safety requirements for food and beverage service.
- Hand Sanitizer and disinfectant wipes are available for guests and staff.
